**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I have chosen a local broadband provider, Sonic, because their customer service, prices, and network integrity are superior to AT&T and cable provides.

Broadband is critical to our home as a technical professional allowing remote acces to do my job. It also supports homework assignments for our kids.
